4. Hearing to consider a request by FREEPORT-MCMORAN OIL & GAS for a Conditional Use Permit (CUP)

to amend the previous CUP to extend the amount of time allowed to drill the previously approved Phase IV oil wells (D010386D). This request would extend the current limit for an additional 3 years to install these previous approved wells (approximately 31 wells not yet installed). The project is located at 1821 Price Canyon Road (San Luis Obispo) on the east and west sides of Price Canyon Road, approximately 2.7 miles north of the City of Pismo Beach, in the South County planning area (San Luis Bay Inland sub area South). As no new environmental impacts were identified with the proposed condition modification, the previously certified Final Environmental Impact Report from D010386D was determined adequate.
